

A. Erdelský

## Study Progress Overview

|                  |   |
|------------------|---|
| Student number   | 5011922   |
| Date             | 13 February 2023  |
| Degree programme | Bachelor Computer Science and Engineering - Fulltime    |
| Cohort           | 2019  |
| Study programme  | TI-BSC-2019 - Bachelor Computer Science and Engineering |

### European Credit

| Study programme | Minimum credits to be obtained | Credits obtained | Passed     |
|-----------------|--------------------------------|------------------|------------|
| Basic Programme | 180.0                          | 180.0            | Yes        |
| Others          |                                | 0.0              |            |
| <b>Total</b>    | <b>180.0</b>                   | <b>180.0</b>     | <b>Yes</b> |

### Programme

| Study programme component     | Type               | Minimum credits to be obtained | Credits obtained | Passed     |
|-------------------------------|--------------------|--------------------------------|------------------|------------|
| <i>all of the parts below</i> |                    |                                |                  |            |
| 1 Year 1                      | Mandatory          | 60.0                           | 60.0             | Yes        |
| 2 Year 2                      |                    | 60.0                           | 60.0             | Yes        |
| <i>all of the parts below</i> |                    |                                |                  |            |
| 2.1 Compulsory Courses        | Mandatory          | 45.0                           | 45.0             | Yes        |
| 2.2 Variant ruimte            |                    | 15.0                           | 15.0             | Yes        |
| <i>one of the parts below</i> |                    |                                |                  |            |
| 2.2.1 Multimedia              | Mandatory          | 15.0                           |                  |            |
| 2.2.2 Systems                 | Mandatory          | 15.0                           |                  |            |
| 2.2.3 Data                    | Mandatory          | 15.0                           | 15.0             | Yes        |
| 3 Year 3                      |                    | 60.0                           | 60.0             | Yes        |
| <i>all of the parts below</i> |                    |                                |                  |            |
| 3.1 Verplichte vakken         | Mandatory          | 15.0                           | 15.0             | Yes        |
| 3.2 Elective courses          | Restricted choice  | 15.0                           | 15.0             | Yes        |
| 3.3 Minor                     | Minor or electives | 30.0                           | 30.0             | Yes        |
| 4 Additional Subjects         | Choice             | 0.0                            | 0.0              | Yes        |
| <b>Total</b>                  |                    | <b>180.0</b>                   | <b>180.0</b>     | <b>Yes</b> |

### Minor Electronics for Robotics

| Study programme component     | Type      | Minimum credits to be obtained | Credits obtained | Passed     |
|-------------------------------|-----------|--------------------------------|------------------|------------|
| <i>one of the parts below</i> |           |                                |                  |            |
| 1 Compulsory Courses          | Mandatory | 30.0                           | 30.0             | Yes        |
| 2 Compulsory Courses          | Mandatory | 30.0                           |                  |            |
| <b>Total</b>                  |           | <b>30.0</b>                    | <b>30.0</b>      | <b>Yes</b> |

## Grades - Study programme
